COVID VACCINES

# Trial data: SC to hear plea for disclosure on Nov 29

PRESS TRUST OF INDIA  
New Delhi, November 8

**THE SUPREME COURT** on Monday said it would hear on November 29 a plea seeking directions for disclosure of data on clinical trials of Covid-19 vaccines and post-vaccination cases.

The apex court had in August asked the Centre, Bharat Biotech, Serum Institute of India, and others to respond to the plea, which sought directions to also disclose post-vaccination data regarding adverse events.

As the bench of Justices L. Nageswara Rao and A S Oka, which was about to rise for the day, advocate Prashant Bhushan, appearing for the petitioner, mentioned the plea and urged the court to give some date for hearing.

He said people are losing jobs due to the coercive vaccine mandates being issued by the government.

Solicitor General Tushar Mehta strongly opposed the submission and said the petitioner wants a mandate that vaccines should not be administered. However, Bhushan said he was not saying this at all.

Mehta said he needs three weeks to reply and said, "let the country go the way the country wants to go". "I will file my reply and need time for that," Mehta said adding that "we don't know whose interest he (Bhushan) is representing in this matter."

Bhushan said three months have passed and they have not filed their reply to the petition filed by Dr. Jacob Puliyel, who is a former member of the National Technical Advisory Group on

Immunisation and has sought directions to also disclose post-vaccination data regarding adverse events.

He had earlier said it is not an anti-vaccine petition and transparency was needed as disclosure of data would clear doubts and hesitancy.

Bhushan, while making clear that the petitioner was not seeking to stop the ongoing vaccination, had said the plea has also raised the issue of coercive vaccine mandates being issued, like putting a certain restriction on travel if someone is not vaccinated. The top court had issued notices to the Centre and others, including the Indian Council of Medical Research (ICMR), Bharat Biotech, and Serum Institute of India, seeking their responses on the petition within four weeks.

Observing that it does not want to get into the scientific decisions taken by the experts, the apex court had said personal autonomy will have to be bal-

anced with public health.

Bhushan had referred to reports and argued that they say vaccine hesitancy is more among those who are educated people. He had told the bench that the government says the vaccine is voluntary but people are coerced to take the vaccine.

"You cannot deny any service or job to anybody," Bhushan had said while referring to mandates. He had said there are reports and data that vaccines are not that effective against the Delta variant.

The plea has sought directions to make public the segregated data of trials for vaccines being administered in India under emergency use authorisation granted by the Drugs Controller General of India.

It has also sought the SC's declaration that vaccine mandates, even by way of making it a pre-condition for accessing any benefits or services, is a violation of the rights of citizens and is unconstitutional.

## Icra: Housing finance firms to grow at 8-10% in FY22

PRESS TRUST OF INDIA  
Mumbai, November 8

**HOUSING FINANCE COMPANIES (HFCs)** are likely to witness a growth of 8-10% in FY22 helped by rise in economic and higher demand, a report has said.

In the first quarter of the current fiscal, HFCs registered nil sequential growth in the on-book portfolio as the second wave of Covid-19 impacted their disbursements and collection efficiency (CE), rating agency Icra Ratings said in a report released on Monday.

However, the collection efficiency started bouncing back by the June-end and improved further in the second quarter.

"The healthy demand in the industry, increasing level of economic activity, and increasing vaccination in the

country are expected to result in a steady growth in disbursements and improvement in CE in FY2022," the agency said.

Icra vice president and sector head (financial sector ratings) Sachin Sachdeva said the overall on-book portfolio of HFCs in India is estimated at ₹11 lakh crore as of June 30, 2021, with exposures across home loans (HLs), loan against property (LAP), construction finance (CF), and lease rental discounting (LRD).

## 90% south central Mumbai properties unsold: Anarock

PRESS TRUST OF INDIA  
Mumbai, November 8

**DESPITE HOME LOAN** rates being at record lows and stamp duty cuts to encourage sales, 90% of inventory in south central Mumbai, one of the biggest markets, remains unsold, a report said on Monday.

There are 10,700 housing units currently available for sale in this region, which was formerly the mill land and hence created huge opportunities for development, the report by Anarock Group, a real estate consultancy firm, said.

Of the total available stock, maximum 29% availability is in homes sized 1,500-2,000 sq ft carpet area, followed by 23% each in sizes 1,000-1,500 sq ft and 2,000-3,000 sq ft, the report said. Bigger properties sized 3,000-4,000 sq ft and over 4,000 sq ft area have least available stock of 5% and 2%, respectively, it said.

Approximately 25,660 units have been launched between 2013 till Q3 2021 in south central micro-markets including Worli, Prabhadevi, Mahalaxmi, Tardeo and Lower Parel, it said.

## PM lays foundation stone for ₹12,294-cr highway in Maha

FE BUREAU  
Pune, November 8

**PRIME MINISTER NARENDRA** Modi on Monday laid the foundation stone for the ₹12,294-crore Shri Sant Dnyaneshwar Maharaj Palkhi Marg and Shri Sant Tukaram Maharaj Palkhi Marg, covering 350 km. He announced multiple road projects (223 kms) which will boost connectivity to Pandharpur in Maharashtra.

The construction of the Sant Dnyaneshwar Palkhi Marg would be done in five phases and the Sant Tukaram Maharaj Palkhi Marg will be completed in three phases. These projects would not only lead to better connectivity to the pilgrim town, but also lead to all-round economic development of the region, create more jobs and offer better connectivity to the southern parts of India, Modi said.

This stretch has been given a national highway status and will have exclusive walkways (Palkhi Marg) on both sides of the highways to enable smooth passage for pilgrims. The Pune-Pandharpur stretch will have four lanes, 10 bypasses and amenities along the route.

Pilgrims or *warkaris* undertake an annual 21-day journey by walking from Pune to Pandharpur carrying the Dnyaneshwar and Tukaram Palkhis. This 350-km pilgrimage is covered by foot. The

Prime Minister suggested that along these walkways there should be extensive tree plantation and arrangements for drinking water. He urged followers to make Pandharpur the cleanest place of pilgrimage in the country.

Prime Minister Modi called this yatra one of the world's oldest mass *yatras* and a people's movement that symbolised equality of opportunity. *Warkari* movement considers discrimination inauspicious and this is its great motto, which inspired his government's development agenda of Sabka Saath-Sabka Vikas-Sabka Vishwas, Modi said.

Nitin Gadkari, Union minister for road transport & highways, said work on four packages have started and the fifth package was being tendered currently. An additional 8 km would be constructed near the temple complex and would cost another ₹74 crore, Gadkari said.

Around 221 km of Sant Dnyaneshwar Maharaj Palkhi Marg from Diveghat to Mohol and 130 km of Sant Tukaram Maharaj Palkhi Marg from Patas to Tondale-Bondale, which would have four-laned with dedicated walkways on either side, is estimated to cost ₹6,690 crore and ₹4,400 crore, respectively.

During the event, the PM also dedicated more than 223 km of completed and upgraded road projects to the nation.

### Vector Green, Evergreen Power to build 300 MW wind plants

**VECTOR GREEN ENERGY**, the Indian renewables platform of New York-based Global Infrastructure Partners (GIP), has signed a memorandum of understanding (MoU) with Illinois, USA-headquartered Evergreen Power to develop around 300 megawatt (MW) of wind power projects in India.
