However, the management has exercised necessary care and diligence to ensure that the financial results for such period are fairly stated.
 7 The Company has claimed/received subsidy as reimbursement of Goods & Service Tax subsidy (SGST reimbursement) under the Bihar Industrial Promotion Policy, 2016/2011 (State Government Policy) from April 2019 on sale of products which includes for supplies to certain distributors who were found to have made payment of IGST on subsequent interstate sales by utilizing SGST credit claimed on supplies by the Company during the period from April 2019 to September 2025, which is not in accordance with the Resolution No. 108 dated 20.01.2020 issued by the department of Industries, as intimated by the department during the quarter and as such is refundable/reversible. However, in terms of the agreement entered into with certain distributors from time to time, Rs. 104.64 Million is recoverable from the concerned distributors, due to breach of clause of the agreement for not utilizing the SGST credits to discharge IGST liabilities and the balance amount of Rs. 66.57 Million has been provided during the quarter which is disclosed as Exceptional Item in these financial results. Although no demand has been received from the department till date but the above accounting is made as a matter of prudence. Accordingly, management is of the view that further impact, if any, is unlikely to be material on the financial results.
 8 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed the incremental impact of these changes on the basis of the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India and disclosed the incremental impact of Rs 4.55 millions under Employee Benefit Expenses. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effects on the basis of such developments as needed.
